12. Any other information:-

I prepared Ayurvedic medicines on these modern lines and after using them in practice, I was firmly convinced that the medicines prepared by me are more effictious and cheap. Thus convinced I addressed the Central Government nearly 10 years back for financial assistance. But I regret that there was not atleast a reply from the government. I am sure that, provided I am given sufficient help, my medicines will do a lot of good to the country. I am sure that some incurable deceases like, polio, paralysis, etc., also can be cured.

Unlike crude ayurvedic drugs, these medicines, though they bear the same name, they will be very palatable to take in and at the same time cheap and more effective. The public are sure to be attracted more by these medicines as they will be in the form of injuctions, capsules, liquids and tablets. It is sure that even Alopathetic doctors will prescribe these medicines as they are modern and cheap.

Dear Sir,

I, Dr.V.Anjaneyulu submit that having studied Ayurveda Sastra during the years 1936-40 through Sri RamaMohan Ayurvedic College, Guntur (A.P.), for Vaidya Vidwan Title, I have been practising Ayurvedic Medicine for the last 40 years as a Registered Ayurvedic Medical practitioner (Regd.No.5776, A.P.Ayurvedic Board) at Attota, Guntur District, Andhra Pradesh.

I have also mastered Homeopathy, Naturopathy and Cromopathy systems of medicine. Combining my Ayurvedic knowledge with the above systems of medicine, I have made enormous Research in Ayurveda and invented the system of preparation of "DYNAMISED FORM OF AYURVEDIC MEDICINES". This is unique and no one else has so far done this. Transfer of energy of crude form of Ayurvedic medicines into attractive form of medicines containing the sugar of milk as the Base is the essence of this system. These new medicines avoid the unatractive features of the traditional Ayurvedic Medicines, like colour, taste and medium.

The following are the unique features and advantages of Dynamised form of Ayurvedic Medicines over the traditional Ayurvedic Medicines:-

1. Easier method of preparation, avoiding long time and large quantities of ingredients.
2. Cent perecent purity of the medicine is maintained in this system even if prepared in large quantities again and again.
3. There is no " Expiry " for these dynamised medicines.
4. Easier administering of these medicines, avoiding unpleasant taste etc.
5. These medicines act quicker and yield the same results.

6. It gives more effect and has no side effects.
7. Less cost involved in the preparation of medicines.
8. Large quantities of ingredients are not required for the preparation of medicines.
9. Less time is taken for preparation.

THE ESSENCE OF THIS NEW SYSTEM IS " DYNAMISATION OF TRADITIONAL AYURVEDIC MEDICINES THROUGH ENERGY TRANSFER PROCESS " THIS STANDS THE TEST OF MODERN SCIENCE ALSO.

I have been preparing and using these medicines for my patients and excellent results have been produced. I am now 82 years old and I desire to impart my knowledge and technique of this new system to the posterity. It is my earnest desire that this new technique should not end with me and I desire to propagate the greatness of Ayurveda through this new method, for which I want to train certain young doctors to carry forward my Research.

Therefore I pray the authorities to sanction me a sum of Rs:10,00,000 (Ten Lakhs) initially for establishing a pharmacy for preparing, preserving and propagating thousands of unique Ayurvedic medicines and thereby proclaim the greatness of Ayurveda.

I am giving below the probable expenditure involved.

I. NON-RECURRING EXPENDITURE: Rs:7,00,000 (Rs:SEVEN LAKHS)

DETAILS:

"DYNAMISED AYURVEDIC YOGA"

Dr. విష్ణు భర్గి గారు 50 సంవత్సరాలుగా వైద్య రంగంలో ఆయుర్వేద యోగాలను (మందులను) Homeopathy Systemలో వలె dynamise చేశారు. దీనిలోన ఆయుర్వేద ఔషధములు మాత్రాచొక్కగా లభిస్తాయి. నాశనంగా ఉంటాయి. యూకలిప్టస్ సులభం. వీటిని తక్కువ Potencyలో కూడా చేశారు. ఒకవేళ ఔషధం యొక్క శక్తిని నిలుపుకోవడానికి.

ఇదిగాక ఆయుర్వేద నక్షత్ర ప్రకృతులు మందులను ఔషధాలుగా తయారు చేసారు. నవగ్రహాలను మందులుగా చేశారు. రంగులను మందులుగా చేశారు. రంగువైద్యం (Chromotherapy) కూడా చేశారు. వీటి వాడకం, కేన్సర్ వంటి మొండి రోగాలను కూడా నయం చేశారు. ఆయుర్వేదం ప్రకృతివైద్యం (Naturopathy) చేశారు. భూమిలోని చెడిని మంచిగా చేశారు. ఆయుర్వేద ఔషధాలనే గాక వాటి ఆలోచనాలను కూడా dynamise చేశారు.

ఇది ఆయుర్వేద క్షీణదశలో ఒక విప్లవం వంటిది. దీని సారం వరకు ప్రపంచంలో ఎవరూ చేయలేదనే చెప్పాలి. దీనిని రెండు చేయడానికే ఆయుర్వేద M.D. దేవస్థానాన్ని ఏర్పాటు చేశారు. ప్రస్తుతం M.D. పూర్తయిన ఆయుర్వేద కళాశాలలోని ఆయుర్వేద ఔషధనిపుణులు వీరి వాటిని చేశారు. కొన్ని ఔషధాలు, మాత్రలు నార్ల దినవర్ధని వంటివి ఉత్పత్తులయ్యారు. కొన్ని మందులు రెండు మాసాలు వాడి, వాటి ఫలితాలు నివేదికను సమర్పించారు.

ఆయుర్వేద Pharmacy పెట్టడానికి కావలసిన యంత్రాలు వీరు చేసి వాటిని ఆయన M.D. దేవస్థానం కార్యాలయంలో Pharmacyలో crude formsలో మందులు తయారుచేస్తున్నారు. ఈ యంత్రాలు విక్రయించడానికి కాదు. ఇవి Dynamised formsలో తయారుచేయడానికి మాత్రమే. అందువలన Homeo Pharmacy లాగా ఉండేటువంటి యంత్రాలు ఉంటాయి. అందులోని ఆయన సమర్పించారు.

కావలసిన వివరాలన్నీ ఆయన

ముఖ్యంగా ఆయుర్వేద యోగాలు వాడితే వాళ్ళకు వచ్చే సైడ్ ఎఫెక్ట్స్ ను నివారించడానికి వీటిని ఒక ఔషధంతో కలిపి ఇంగ్లీషులో సంక్షిప్తంగా వివరించారు. దానికి ఉదాహరణ ఈ తైలాలను ఆయుర్వేద తైలాలలో, Pharmacyలో ఇచ్చారు. వాటిలో కొన్ని ఔషధ నామధేయాలు ఎలా వివరంగా చెప్పవచ్చు. ~~[illegible]~~ శ్రీ P.V.R.K. ప్రసాద్ గారు, ప్రధాన యంత్రిగారి కార్యక్రమాన్ని పర్యవేక్షించి నవ్వుతూ వారి ఆదేశాలను అమలు చేయడం ఇలా ఉంది. దానిలోనూ T.T.D.E.O. గారికి పంపించారు. ఆయన ఆయుర్వేద తైలాలను పంపించారు. ఈ రకంగానూ వారికి లభించలేదు. వారికి ఆదేశాలు ఇస్తే వెంటనే చూస్తానని దానిని తెలుగులో తయారు చేసి వారికి పంపించడం జరిగింది. ఒక్కటి కాని వెళ్ళలేదు. ఇన్ని కారణాలు ఇచ్చినవాళ్ళు. కాబట్టి ఆదేశాలను అమలు చేయడానికి ఆదేశాలు ఇవ్వలేనని తెలిపారు. ఆదివారం రోజు ఉండగా తనుగానీ వారివారు చేసిన వాటిని తీసుకొని వెళ్ళడం జరిగింది.
